

## Solution

Development of the MyDYPALive Platform available here:

<https://prosvasis.dypa.gov.gr/>

### Objectives

**Integration of people with disabilities into the labour market for the European Public Employment**

**To facilitate access of all target groups and especially from disadvantaged groups to employability and training opportunities.**

### Impact

**The platform facilitates the access of people with disabilities to the use of the services.**

**MyDYPALive offers many categories of online services, related to Unemployment, Pairing & counselling, Education, Training, Active employment policies, Social Policy, etc**

### Key words

**MyDYPALive provides services to 1.091.088 registered users nationally contributing effectively to Inclusion- Counselling - vocational guidance, lifelong learning and employment promotion services targeted at people with disabilities.**
